Re: Employment of 20 Korean Hairstylists

We, Chatters Canada, are one of the largest professional hair related product outlet and hair salon franchising company in Canada and have more than 700 hairstylists and staffs across Canada.

To meet our business expansion and better service to our clients, we would like to employ 20 qualified Korean hairstylists who would like to work with Chatters in Canada.

Enclosed is the required skill qualification for our job position that we would like to have.

For processing this employment properly, we would like you to arrange exclusively the above hairstylists in Korca for Chatters.

When you have them ready, I would like to visit Korca to interview them to check their qualification. I am happy to work with you and expect to meet skillful and qualified hairstylists soon.

Sincerely yours,

Ken Fisher  
President, CEO of Chatters
